

Global Nurses
& Midwives
Rotary
Club

Check-in • Connect • Chat

Let's face it; we're all frazzled! Unfortunately, the current times and stress experienced in our workplaces can make things difficult and challenging for all of us.

This is why the Global Nurses & Midwives Rotary Club has created an online Café where you can **check in, connect, and chat** with colleagues locally and globally about issues affecting all of us.

So, bring along your packet of Tim Tams, favourite drink, and meet with colleagues who get you.

"Nurses and Midwives are never strangers but colleagues and friends we have yet to meet!"

The Three C's Cafés are facilitated by your Nursing and Midwifery colleagues who are members of the Global Nurses & Midwives Rotary Club - they love nothing better than to meet with colleagues and chat.

Every Thursday from 1800 -1900 (Brisbane Time)

Online via our private Zoom link
